

ST AUGUSTINE'S SCHOOL

Thursday 4th December 2025

Dear Parents/Carers,

We would like to congratulate Year 11 students on an excellent week of attendance during the mock examinations. This demonstrates real resilience and determination, and it is important that we continue to support students in developing these qualities during their final few months before GCSE exams begin in the summer term.

The mock examinations will continue next week, and we ask that students maintain their commitment. Once the mocks have finished, it is essential that students continue their excellent attendance, as learning will carry on post-mocks and every lesson counts.

Please note two key dates in the new year:

- **Friday 9th January** – Year 11 Mock Results Day, when students will receive their results for all subjects.
- **Wednesday 21st January** – Year 11 Subject Parents' Evening, 3:45pm – 6:30pm. We will write to you after Christmas to confirm when appointments will go live. At these meetings, we will share mock grades and an updated set of predicted data to help inform our next steps in supporting your child.

Thank you for your continued support. We would like to ask for your support in reminding Year 11 students that they are role models for the whole school, and high expectations apply not only to behaviour and conduct but also to uniform. This includes wearing skirts professionally, so they are knee length, and only wearing permitted jewellery: one set of studs in the lower lobe, a discreet crucifix, and a watch.

We look forward to continue working alongside our families to ensure that every student completes their school journey with confidence, pride, and the highest possible outcomes. Your continued support is invaluable as we strive to make these final months purposeful and successful.

Regards

Rosa Flanagan - Headteacher
