

ST AUGUSTINE'S SCHOOL

Tuesday 4th November 2025

Dear Parents and Carers,

As we approach the Year 11 mock examinations, which begin the week commencing Monday 1st December, we are launching a structured and supportive revision programme to help students prepare effectively.

One Click Revision is a weekly guided revision offer designed to complement students' lessons and independent study. Starting this week and each week ahead of the mocks, students will receive a short, focused revision task for each subject they study. These tasks are:

- Accessible – just one click to the resources.
- Clear – no more than three steps.
- Concise – designed to take 15-20 minutes.

Each Monday, the week's tasks will be posted centrally to Google Classroom and introduced in Year 11 assembly or form time. Teachers will then revisit these tasks in lessons the following week to check engagement and reinforce learning, and we expect students to complete tasks for a minimum of 3 subjects.

This initiative is part of our wider revision support in the lead up to mocks. We encourage all students to complete the tasks each week and use them as a foundation for further revision.

We are also launching our revision offer, with the revision timetable also attached in the email. These sessions will be running until the start of the mock examinations and we ask that all students aim to attend 3 revision sessions across the week.

Thank you for your continued support in helping your child prepare for their exams. If you have any questions, please don't hesitate to get in touch.

Warm regards,

Miss R Flanagan
